Karen Read,

v.

Commonwealth,

BRIAN ALBERT'S MOTION TO INTERVENE

Now comes Brian Albert, the applicant, and respectfully moves to intervene in the captioned matter pursuant to Mass. R. Civ. Pro. 24(a). In support of his request, the petitioner asserts as follows:

1. The applicant claims an interest in the subject of the action;
2. The applicant is situated so that his ability to protect this interest may be impaired as a practical matter by the disposition of the action; and
3. The applicant's interest is not adequately represented by the existing parties.

As described in his accompanying memorandum of law, this Court should allow the applicant's motion to intervene.

Respectfully Submitted
